

# Lurleen B. Wallace Office Building

501 Dexter Avenue, Montgomery, AL 36104

Designed by the prestigious firm of Warren, Knight & Davis of Birmingham to compliment the Attorney General Building it faces, the building was completed in 1954 and was known for many years as *The State Office Building* until it was renamed in 1991 in honor of former Governor Lurleen B. Wallace. This picture is taken from the front of the Capitol grounds.

The Lurleen B. Wallace Office Building has undergone several modernization projects, and includes Medicaid as tenant.
